

## PRESIDENT'S CLUB PROGRAM

Homeowners are responsible for the maintenance and repair of their homes and many things can be handled DIY, but some systems are left to professionals. Plumbing systems need regular maintenance to keep them working properly and regular updates to out of date components increase efficiency. Professional plumbers attend continuing education to keep them up to date with the latest products and services offered in the trade.

Taking a plumbing project as DIY can have disastrous consequences to your home and bank account. Our plumbing service plan offers you peace of mind that a trained plumber is at your service. We offer preventative maintenance and priority scheduling for service calls to our service plan customers

### Discounted Repairs

Our Plumbing Service Plan customers receive a 10% discount on plumbing repairs. We will quote repairs before they are performed

### Priority Scheduling

Your service will be scheduled before non-service plan customers for routine and emergency repairs.

### Service Plan Details

Your service plan includes one planned maintenance inspection per year. We will inspect your plumbing service and prepare estimates for any needed repairs. A properly maintained system is essential to reduce plumbing emergencies.

## Terms

Our Plumbing Service Plan is limited to single family homes, but we can prepare a custom quote for multi-family homes or commercial buildings. Plans are billed annually and are automatically renewed on the anniversary of the initial agreement date. Plans may be canceled within 30 days of initial agreement or renewable date, but will not be refunded if a maintenance inspection or service call has been performed. Plans canceled after 30 days of initial agreement or renewal will receive a pro-rated refund unless a maintenance or service call has been performed.

IN WITNESS WHEREOF, the Parties hereto agree to the above terms and have caused this Agreement to be executed in their names by their duly authorized officers.
